

Petition of *We The People*
for the Establishment of :::
The Independent States of America
(I.S.A.)

We The People can make a dramatically positive difference together. We need a common theme. We can all live in a better and happier world. We need to do something big to mark the real change.

Right now, we are United as 1939 Eastern Germany: one entire country, one currency, one financed puppet commander, and many wars. We are no longer 50 independent states. We are now much like the “unsinkable” Titanic, crashing into icebergs (other cultures) and taking on more and more water (debt). Our country has been sinking; slowly and dramatically. The elite class, who work collectively as one mind, wants another world war for the poor to suffer and die in. Are we just going to take orders, get suited up as with one uniform, to kill more? Is it brave to bomb other people? Isn't there a more peaceful way to be?

Yet the seemingly forgotten 10th amendment to the Constitution grants each of our 50 states independence from central control. The same out of control central government is now creeping into our own homes. It started long ago with cancer causing fluoride put into our water. Are we each free & independent? Have we now just become penned-up slaves? Are we meek or are we brave? Are we just the homes of the slaves?

Together we can remove the old corrupt global establishment that en-debts and controls the United States of America. We can definitely restore peace, balance, prosperity, and all beneficial human freedoms.

All we have to do to create a solid foundation for real positive change (not chump change) is agree to do one thing together, or at least most of us. That is, we wish to establish a new government by and for We The People in the eyes of Creation. We need immediate volunteers. The best chance of this is sharing this idea and petition, back and forth, everywhere, for the Establishment of the “Independent States of America” or I.S.A. **You can be the “I” in I.S.A.**; a slight change of wording, but a big, real and tangible difference.

Together, We can overcome a lying out-of-control parasitic criminally corrupt government. If every soldier joins us, then we don't even need to get our guns out to expunge today's class of corrupted politicians, in order to get them completely out of the way. Not centralized power, but 50 good short-term governors for the 50 independent states, elected by the people of each state. 50 currencies and 50 constitutions, for the protection of minority rights everywhere; as defined by the full voting electorate of each of the 50 states.

USA can easily be made into ISA. No more national war mongering state Offenses, just a strong set of 50 Independent State Defenses. A beneficial system; perhaps by providing a home for every new family.

“I” agree to the establishment of the Independent States of America, in order to fully replace the corporate controlled, horribly corrupted, war mongering United States of America.

X_____ (Just get two others to sign before framing your statement and pass around many copies; it is the duty of every free and independent person to promote this idea. If this quickly becomes a fad; We will convene for real positive change. There is no website behind this; nor any particular people. It is free to say “Yes!”. This letter is perfect for email attachment. * *written by a 10 year old citizen*
